

Bob Wrable DMD, PA

24 Hour Cancellation and No Show Fee Policy

Your appointment time is reserved especially for you and each time a patient misses an appointment without providing appropriate notice, another patient is prevented from receiving care. Please contact our office at 386-734-5615 no less than 24 hours prior to your scheduled appointment time if you are unable to keep your appointment.

If you check in for your appointment more than 15 past your scheduled appointment time, you may need to reschedule the next available appointment time and date. Medications will not be provided if you are unable to be seen by your provider.

Bob Wrable DMD, PA reserves the right to charge a 25\$ fee for all missed (no show) office visit appointments and a 75\$ fee for all missed (no show) treatment appointments. This fee is not covered by your insurance carrier and must be paid prior to you next appointment. Multiple “no shows” or same day cancellations in a six-month period may result in termination from our practice.

By signing below, you acknowledge that you have received this notice and understand this policy.
